

# **CURRICULUM VITAE**

## **PERSONAL DATA:**

**First Name: Ali**  
**Sur Name: Bahador**  
**Birth Date: Oct, 1958**  
**Birth place: Bushehr/IRAN**  
**Citizenship: Iranian**  
**Martial Status: Married, 3 children**

## **PRESENT ADDRESS:**

**Department of Surgery**  
**Faghihi Hospital**  
**Surgery Ward Office**  
**P.O.Box:71345-1876**  
**Shiraz, IRAN**

## **QUALIFICATIONS:**

**M.D. Isfahan University Medical School**  
**March, 1983**  
**Iranian Board of Surg.**  
**Center Certifying Body**  
**Ministry of health and**  
**Medical Education**  
**Tehran June 1987**

**Iranian Board of Pediatric surgery Oct, 1993**

## **EDUCATION:**

**Elementary: Shah Abbas Elementary School**  
**Bushehr/Iran 1964-1969**  
**High School: Shahpur High School Kazerun/Iran**  
**1970-1976**  
**University Pre-med Isfahan University 1976-1979**  
**Medical School: College of Medicine/Iran**  
**1980-1983**

## **TRAINING & EXPERIENCE:**

**Clinical Clerkship Hospital of Isfahan  
University (1980-81)  
externship 1981-1982  
Rotting Internship: Amin and Khorshid  
Hospitals of Isfahan University 1982-1983**

**Surgical residency  
Department of Surgery  
Nemazee and Faghihi Hospital  
Shiraz University of Medical School  
Shiraz/Iran 1983-1987**

**Fellowship:  
Medical Sciences Universities  
of Shiraz and Shahid Beheshti  
Hospitals 1991-1993  
Post graduate training  
Bristol Children Hospital, Kings  
College Hospital, London U.K. 1994**

## **PROFESSIONAL POSITIONS:**

**Associate Professor of Surgery  
Department of Surgery  
Shiraz Medical School  
Shiraz, Iran 1987  
Consultant of pediatric and  
transplant ward Namaze Hospital  
shiraz- Iran**

**Medical Director:  
Jahrom Hospital  
Shiraz University of Med.  
Sciences 1987-1988**

**health Director: Boyer Ahmad Province  
Ministry of health 1989-1991  
Vice president for treatment  
Medical Sciences University of**

**Shiraz, Iran 1995-1999**

**Director of general Medical council Shiraz- Iran 2009**

- 100) Does donor's fatty liver change early mortality an outcome of liver transplantation? MESOT2006, November 2006

- 101) Early postoperative complications of pediatric liver transplantation. MESOT2006, November 2006
- 102) Hyperlipidemia in children with normal allograft function. MESOT2006, November 2006
- 103) Management of infrarenal double IVC during living related kidney transplantation. MESOT2006, November 2006
- 104) Nephritic-nephrotic syndrome as a presentation of BK virus infection. MESOT2006, November 2006
- 105) Liver transplantation for homozygous familial hypercholesterolemia. MESOT2008, November2008
- 106) Outcome of liver transplantation in patients with portal vein thrombosis: a single center experience. MESOT2008, November2008
- 107) Hypertrophic cardiomyopathy and non Hodgkin lymphoma in a child after liver transplantation. MESOT2008, November2008
- 108) Influence of surgical technique on post operative renal function in orthotopic liver transplantation. MESOT2008, November2008
- 109) The excellent results of liver transplantation for tyrosinemia in Iran: A single center experience. MESOT2008, November2008
- 110) Evaluation of the value of serum sodium in predicting short term survival in cirrhotic patients listed for liver transplantation in organ transplantation center of Shiraz university of medical sciences. MESOT2008, November2008
- 111) Protective effect of parenteral vitamin E on ischemia-reperfusion renal injury in rabbits. MESOT2008, November2008
- 112) Protective effect of parenteral vitamin E on ischemia-reperfusion renal injury in rabbits. MESOT2008, November2008
- 113) Neuromuscular complications after liver transplantation in children. MESOT2008, November2008
- 114) Is preoperative intravesically applied antibiotic solution effective in the prophylaxis of urinary tract infection complications of renal transplantation. MESOT2008, November2008
- 115) Hypertension in children following kidney transplantation. MESOT2008, November2008

- 116) The effect of simvastatin on desensitization of panel-positive kidney transplant candidates. MESOT2008, November2008
- 117) Experience of living donor liver transplantation in Iran: a single center report. MESOT2008, November2008
- 118) Posttransplantation lymphoproliferative disorder after liver transplantation: a single center experience among 500 patient series. MESOT2008, November2008
- 119) Factors influencing third-party consent for organ donation in brain dead individuals. MESOT2008, November2008
- 120) Increased carotid intima media thickness in children and young adults with renal transplantation. MESOT2008, November2008
- 121) Conversion from cyclosporine to low dose tacrolimus in patients with allograft dysfunction. MESOT2008, November2008
- 122) Quality of life and school performance after liver transplantation in children. MESOT2008, November2008
- 123) Mental health status and its effect on liver transplant outcome. MESOT2008, November2008
- 124) Hepatic abscesses after liver transplantation: 1997-2008. MESOT2008, November2008
- 125) Endogenous aspergillus endophthalmitis occurring after liver transplantation- A case report. MESOT2008, November2008
- 126) The effect of ischemic preconditioning of pancreas in reducing the severity of ischemia reperfusion induced pancreatitis in rats. MESOT2008, November2008
- 127) Liver failure and the need for transplantation in three patients with hepatoportal sclerosis. MESOT2008, November2008
- 128) Influence of surgical technique on postoperative renal function in orthotopic liver transplantation. MESOT2008, November2008
- 129) Anemia in kidney transplanted patients of namazee transplant center. MESOT2008, November2008
- 130) Outcome of renal transplantation in patients with systemic lupus erythematosus. MESOT2008, November2008

- 131) Comparison of antigenemia assay and semiquantitative polymerase chain reaction test for monitoring active cytomegalovirus infection in allogeneic hematopoietic cell transplant recipients. MESOT2008, November2008
- 132) Factors affecting early and late extubation in liver transplant patients. MESOT2008, November2008
- 133) Effective factors on transfusion in orthotopic liver transplantation, a survey in Shiraz transplant center. MESOT2008, November2008
- 134) Endoscopic sinus surgery in the management of sinus mucormycosis after liver transplantation-A case report . MESOT2008, November2008
- 136) Comparison of immediate renal dysfunction in split and partial liver transplantation versus full size liver transplantation in Shiraz transplant center. MESOT2008, November2008
