

**SUMS English Language Proficiency Declaration**

SUMS students are expected to be fluent in the English language. All students should sit an English placement test upon their arrival. Students are allowed to immediately begin their education provided that they meet SUMS minimum language requirements, that is, IELTS 5.5 or TOEFL iBT 69. Otherwise, they are obliged to attend the English language course for at least one semester prior to the commencement of the program. Basic Compensatory English language course is offered only in the winter semesters. However, this course might not be available on a year-by-year basis.

-----

I, the undersigned [name] ..... owner of the [nationality]..... passport [N°]....., certify the following:
