

Seyed Basir Hashemi, M.D.

- **Address:** Khalili hospital, Khalili St. Postal code: 7393616641, Shraz- Iran.

Cell phone: +989171110297,

Tel- Fax: + 98-71-36291478

- **Email:** hashemib@yahoo.com, hashemib@sums.ac.ir

Personal Information

- **Date of Birth:** Sep 11, 1962
- **Place of Birth:** Shiraz, Iran
- **Marital Status:** Married
- **Health Condition:** Good

Education and Qualifications

- **High School Diploma**, Shiraz-Iran: 1981
- **MD**, Shiraz University of Medical Sciences, Shiraz-Iran: 1990
- **Post -Doctoral Training:** ENT Residency, Department of ENT, Shiraz University of Medical Sciences, Shiraz-Iran: 1992 – 1996

- **Otology Fellowship:** Department of ENT, Gutenberg University, Mainz-Germany: 2000
- **Cochlear implantation Fellowship:** Iran University of Medical Sciences, Tehran- Iran: 2003

- **Participating in various European cochlear implantation and otology workshops**

Faculty Appointments

- Assistant professor in Otolaryngology, Head and Neck Surgery from 1997-2005, Shiraz University of Medical Sciences
- Associate professor in Otolaryngology, Head and Neck Surgery from 2005-2012, Shiraz University of Medical Sciences
- Full Professor in Otolaryngology, Head and Neck Surgery since 2013, Shiraz University of Medical Sciences

Administrative Work Experiences

- Head of Khalili hospital from 1999 to 2007
- The founder and head of Fars cochlear implant center,(Shiraz- Iran) since 2003
- The chairman of ENT department from 2011-2013
- Member of Iranian ENT board
- Member of the editorial board of Iranian J Medical Sciences(IJMS) and “Armaghan Danesh” Journal
- Research and technology deputy of Shiraz University of Medical Sciences, Shiraz- Iran
- Scientific secretary of 4th international congress of cochlear implantation and other related sciences (Shiraz- Iran; 2016)

Surgries

- Supervision and participation in more than 1700 cochlear implantation surgeries in Fars cochlear implant center, Shiraz- Iran
- Setting up a navigation system for skull base surgeries in Khalili hospital, Shiraz- Iran
- Performing the implantable hearing aid surgeries in south of Iran for the first time in 2013
- Performing more than 15000 surgeries in the fields of ENT and otology including: Tympanomastoidectomy, Stapes surgery, Cholestatoma surgery, Parotidectomy, Functional endoscopic sinus surgery(FESS), Rhinoplasty, General ENT and H&N surgries

Publications

Publication of various scientific articles in national and international specialized Journals: <https://scholar.google.com/> & <https://isid.research.ac.ir/>

Presentations

- 1- Khosravinegad A.A. Hashemi . S.B. Combined posterior auricular Interpolation and Transposition flaps for reconstruction of the concha and external canal. The 19th congress of Iranian society of Surgen : may / 8-12,1998, Tehran -Iran
- 2- Hashemi S.B , Alavi KH. , Amin R. The incidence of foreign body of tracheobronchial tree in patients with recurrent pneumonia. The 8th international congress of geographic medicine , Shiraz, IRAN , May 7 - 10 , 1995.
- 3- Hashemi S.B , Alavi KH. Nasopharyngeal Carcinoma in one mother and her daughter. The first symposium on Head & Neck cancer, Tehran – IRAN. June, 1999
- 4- Hashemi S.B , Man W.J , Mewes T. The role of Microsurgical endonasal dacryo cystorhinostomy in patients with blockage of lacrimal system . The 14th International Congress of Geographic Medicine, Shiraz Iran Nov. 5 – 8 ,2001
(poster)
- 5- Maghsoudi B. , Taregh SH. , Hashemi S.B: Application of apnic technique using succinylcholine in anesthetic management of direct laryngoscopy . The 14th International Congress of Geographic Medicine , Shiraz – Iran Nov. 5-8 ,2001 (poster)
- 6- Hashemi S.B. , Gandomi B . Comparison of teaching service schedules with private schedules in education of ENT residents. 15th international congress of Geographic medicin . Dec . 8-10 2002 , Shiraz / Iran (Farsi)
- 7- Maghsoudi B , Hashemi S.B : Superior laryngeal N . block as a Supplement to inhalational anesthesia for rigid bronchoscopy . 7th biennial congress Asia &

Oceanic society of regional anesthesia & Pain medicine , 5-8 Nov.,2003. Bangkok , Thailand.

- 8- Hashemi S.B . Kholghdost S . Mohammadi – Nik H . Dissection – Guillotine Tonsillectomy compared with Radio frequency electrosurgery tonsillectomy. The 16th international congress of Geographic medicine Dec. 1-4 , 2003 Shiraz , Iran
- 9- Hashemi S.B , Derakhshadeh V. , Gandomi B . Endoscopic evaluation of the causes of upper airway obstruction leading to tracheostomy in south of Iran . The 4th conference & Exhibition , Pan Arab federation of otorhinolaryngological societies . june 2-4 / 2004 / Manama / Bahrain
- 10- Hashemi S.B . Salooti R. etal : Endonasal Dacryocystorhinostomy , A prospective comparative study . The 4th conference & Exhibition , Pan Arab federation of otorhinolaryngological societies . june 2-4 , 2004 / Manama / Bahrain
- 11- Hashemi S.B . Sohrabi H . Comparison of hearing results after Primary cartilage – Perichondrium tympanoplasty versus Temporalis facia . International congress on neurotology , Neuro - audiology & skull – base surgery . May 14-18 , 2004 , Tehran . Iran .
- 12- Hashemi S.B . Anatomy of cochlear implant . The 6th Iranian congress of anatomical sciences . May 4-6 / 2004 , Shiraz- Iran (Farsi)
- 13- Hashemi S.B. Microanatomy of temporal bone . The 6th Iranian congress of anatomical sciences . May 4-6 / 2004 , Shiraz- Iran (Farsi)
- 14- Hashemi S.B. Results of 30 cases of Cochlear Implantation in Shiraz university.

6th GCC international conference on otolaryngology, head & neck surgery. May 11-14 , 2005 , Doha - Qatar .

15- Hashemi S.B. , Kumar P.V. , Hori F. Review of histology of nasal polyps during 5 years in Khalili hospital. 6th GCC international conference on otolaryngology, head & neck surgery. May 11-14 , 2005 , Doha - Qatar .

16- Hashemi S.B. , Monshizadeh L. , Monabati S. Evaluation of Auditory-Verbal training of cochlear implant patients in Fars CI center. 9th international congress of ORL – H&N Surgery . Nov 9 – 13 ,2005. Tehran – IRAN.

17- Mohamadian M. , Hashemi S.B. , et al : Metachronous coincidence of laryngeal and gastric cancer. 5th national Iranian congress of hematology & oncology. June 22-24 , 2005 , Shiraz - IRAN

18- Hashemi S.B. , Zarei K. , Haghjoo Sh. Evaluation of pre and post operation hearing threshold of cochlear implant patients in Fars CI center. 5th Iranian audiology congress. Feb 14-16 , 2006 Tehran – IRAN

19- -Monshizadeh L, Hashemi B. The effect of rehabilitation after cochlear implantation in development of verbal and non-verbal IQ of cochlear implanted children. Presented in 8th annual middle east update in otolaryngology. Dubai, United Arab Emarat. 2-4 April 2008.

20- Monshizadeh L, Monabati S, Hashemi B. The effect of rehabilitation before cochlear implantation on child's performance. The second Iranian congress on cochlear implants and related sciences. Tehran, Iran. 12-14 oct. 2011.

- 21- Hashemi B, Monshizadeh L. Cochlear implantation in a child with bilateral severe inner ear malformation. The 13th international congress of Iranian society of otolaryngology, head and neck surgery. Tehran, Iran. 2-5 October 2012
- 22- Monshizadeh L, Hashemi S.B. . Expressive language development in 45 cochlear implanted children following 2 years of implantation. 10th Asia Pacific symposium on cochlear implants and related sciences. China, April 2015.
- 23- Hashemi S.B., Monshizadeh L. The evaluation of auditory perception in cochlear implanted children with additional disabilities; European symposium on cochlear implants and related sciences; Munich, Germany: 2014.
- 24- Hashemi S.B. Monshizadeh L. Vameghi R. Yadegari F. Sajedi F.
The cognitive based rehabilitation program and its relationship with word recognition in 6-8 years old cochlear implanted children. 4th international congress on cochlear implants and related sciences, Shiraz-Iran(2016)
- 25- Hashemi S.B. Monshizadeh L. The comparison of social adjustment in hearing & cochlear implanted children with normal performance intelligence quotient, 14th International Conference on Cochlear Implants and Other Implantable Technologies; Toronto- Canada(May 2016)
- 26- Monshizadeh L, Vameghi R, Sajedi F, Yadegari F, Hashemi S.B., Mehdi Rahimi. The development of an interventional package on "receptive vocabulary" for cochlear implanted children. 5th international congress on cochlear implants and related sciences. Mashhad- Iran: May 2018.

Other scientific activities

- Receiving various academic and provincial acknowledgments and awards
- Supervising about 40 thesis of Medical students and ENT residents include:
 - 1- The comparison of clinical outcomes of round window and cochleostomy approach in cochlear implantation surgery in Shiraz Khalili hospital. Janipour, M. 1397
 - 2- Hearing loss in patients with scleroderma and association to clinical and capillaroscopic manifestations - a case control study. Masoudi, M. 1397
 - 3- Speech assessment of patients with cleft palate that repaired during 2002-2006 at shiraz khalili hospital. Kordi, K. 1395
 - 4- The comparison of Intraoperative and Postoperative Complications Following Cochlear Implant in Patients with and without Inner ear Malformations. Molaei Sisakht, A. 1395
 - 5- The effect of local Tranexamic on control of bleeding during functional endoscopic scinus surgery. Salehpour, H. 1395
 - 6- Evaluating Heterozygosity Degree of 4 Microsatellite Markers in the GJB2 gene Region and Performing PGD of Autosomal Recessive Nonsyndromic Hearing Loss due to GJB2 mutation. Tabatabaei, Z. 1395
 - 7- Effects of Cochlear Implantation and Associated Rehabilitation Services on the Development of Auditory Perception in Cochlear Implanted Children ,1-2 years after Rehabilitation in Fars Cochlear Implantation Center. Sajadi, G. 1393

- 8- Comparison of speech perception and intelligibility after cochlear implantation between familial and non-familial profound prelingual deaf patient admitted to Fars cochlear implantation center. Behboodi, E.1393
- 9- Mucosal pocket” myringoplasty: A modification of underlay technique, for anterior or subtotal perforations. Rajaei, A.1392
- 10- The comparison of Radiofrequency and Bipolar technique in tonsillectomy. Asefi, S. 1390
- 11- The comparison of two techniques of sutured and non-sutured fixation of cochlear implants– In terms of postoperative complications and duration in Shiraz Khalili Hospital. Zare, S. 1390
- 12- Temporal bone radiologic finding in candidate patients for cochlear implant. Hoseinpoor, Sh. 1390
- 13- The evaluation of soluble Fas and Fas ligand content in serum of patients with head and neck cancer and its correlation with soluble CD137. Shariati rad, M. 1388
- 14- Investigating the hearing results after primary cartilage perichondrium tympanoplasty & compare them with results after primary tympanoplasty with temporalis fascia. Sohrabi, H.1383
- 15- The clinical diagnosis of nasal polyposis and the pathology reports of the specimens. Horri, F. 1383
- 16- Endonasal vs external dacryocystorhinostomy. Fahzadee, A.A. 1383
- 17- Tympanomastoidectomy results in Shiraz University of Medical Sciences hospitals. Hoseini, R. Zarei, L. 1382

- 18- The relationship between prevalence of H-Pylori and the history of tonsillectomy in patients who undergo upper GI endoscopy in Namazi and Faghihi hospitals. Hoseini, S. 1382.
- 19- The comparison of two methods of tonsil surgery: Radiosurgery and tonsillectomy with dissection. 1382.
- 20- The evaluation of myringotomy reasons from 1375 to 1380 in Khalili hospital. Ansary, S. 1380
- 21- The survey of the number and variation of surgeries in educational and treatment wards of Khalili and Dastgheib hospitals. Mashayekhi, Gh. 1378
