**Memorandum of Understanding  
between  
University of Technology in Katowice, Poland  
and  
Autophagy Research Center of Shiraz University of Medical Sciences, Iran**

The Director for Autophagy Research Center of Shiraz University of Medical Sciences with the registered address of room 202, 2nd floor, Autophagy Research Center, Building NO.2 of Shiraz University of Medical Sciences, Moshir Fatemi St., Shiraz, Iran – PO Box: 7135646141 and the Rector of the University of Technology in Katowice with the registered address of 43 Rolna Street, 40-555 Katowice, Silesia province, Poland, Tel. +48 667 939 998/+48 609 848 998, hereby affirm their intent to promote such academic collaboration and exchanges as will be of mutual benefit to their respective institutions. This Memorandum of Understanding (MOU) is made as a gesture of good will between the two Universities.

This MOU will cover, but is not limited to:

- Exchange of staff members and students, academic exchange, practical training internships and observships
- Exchange of information and academic publications where appropriate
- Coordination through each university's respective office to implement joint projects
- Joint supervision and accomplishment of PhD and MSc. theses
- Joint organization of scientific events such as congresses, webinars and seminars

Both parties hereby agree that:

The MOU represents general provisions and format for cooperation, while details of the implementation of any particular exchange or cooperation resulting from this MOU shall be negotiated between the two educational institutions as such specific areas arise in a separate agreement.

As a result of scientific cooperation between two parties, joint publications will be prepared and mentioning of all contributing parties is required in all presentation, publication or outreach materials (these include, but are not limited to, publications in peer-reviewed

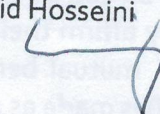

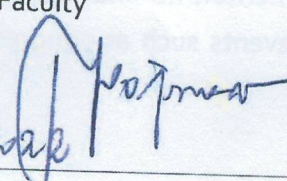

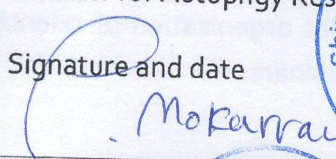

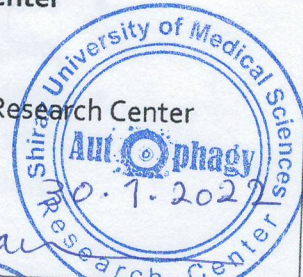

scientific journals, patents and products registration, technical recommendations, teaching plans).

All rights, title and interests developed during the joint projects belong to all parties, each of them retaining an undivided equal interest in and to such results, which will be subjected to the terms and conditions discussed in good faith between the Parties.

In case of cancellation or termination hereof, the Parties are bound to fulfill the obligations under the related agreements and all the ongoing projects should remain unaffected until they're completed.

This agreement becomes effective when signed by the representatives of the two Universities. It will be in force for a period of three years, and automatically continues to exist for additional three years unless either university gives a written notice of intent to discontinue six months prior to its expiration.
